Trusted Security Solutions Partner in Qatar

www.aman.qa

Overview

Aman Link Security Systems was established in 2016 and has since become a leading enterprise in the field of ELV (Extra Low Voltage) and Unlimited Security Solutions in the State of Qatar.

Aman Link Security Systems and Aman Technology & Trading are approved by the Ministry of Interior (MOI) and the Information and Communications Technology (ICT) sector, ensuring compliance with Qatar's regulations for safety and security systems. The company specializes in delivering comprehensive ELV solutions such as SMATV, PA systems, Analog and IP Video Intercoms, Structured Cabling, Home Automation, Sound Systems, and Low Current Work, among others.

In addition to ELV solutions, Aman Link Security Systems is an authorized partner for multiple global brands in Qatar, further enhancing our ability to provide cutting-edge surveillance systems, access control, barriers, alarm systems, and other security solutions. As an authorized partner for these leading global brands, we bring the latest in video surveillance technology to our clients, ensuring the highest level of safety and reliability.

Our Security Activity is approved by the Ministry of Interior (MOI), specifically by the Security Systems Department (SSD), allowing us to offer high-end security solutions tailored to both residential and commercial properties in Qatar.

At Aman Link Security Systems, we are committed to providing innovative, reliable, and efficient Solutions to safeguard homes, businesses, and government institutions.
